PROPOSED FINDINGS AND RECOMMENDATIONS

INSTRUCTIONS

The following recommended disposition has been sent to United States District Judge Lee P. Rudofsky. Any party may serve and file written objections to this recommendation. Objections should be specific and should include the factual or legal basis for the objection. If the objection is to a factual finding, specifically identify that finding and the evidence that supports your objection. An original and one copy of your objections must be received in the office of the United States District Court Clerk no later than fourteen (14) days from the date of the findings and recommendations. The copy will be furnished to the opposing party. Failure to file timely objections may result in waiver of the right to appeal questions of fact.

If you are objecting to the recommendation and also desire to submit new, different, or additional evidence, and to have a hearing for this purpose before the District Judge, you must, at the same time that you file your written objections, include the following:

1. Why the record made before the Magistrate Judge is inadequate.
2. Why the evidence proffered at the hearing before the District Judge (if such a hearing is granted) was not offered at the hearing before the Magistrate Judge.
3. The detail of any testimony desired to be introduced at the hearing before

the District Judge in the form of an offer of proof, and a copy, or the original, of any documentary or other non-testimonial evidence desired to be introduced at the hearing before the District Judge.

From this submission, the District Judge will determine the necessity for an additional evidentiary hearing, either before the Magistrate Judge or before the District Judge.

Mail your objections and “Statement of Necessity” to:

DISPOSITION

Plaintiff Jackson filed this pro se 42 U.S.C. § 1983 action against Defendants while incarcerated at the Pulaski County Detention Facility (Jail). (Doc. No. 1)

By Order dated June 3, 2020, the Court directed Plaintiff to pay the \$400 filing fee or file a Motion to Proceed in forma pauperis (IFP) within thirty days, noting that failure to respond could result in the dismissal without prejudice of this lawsuit, for failure to prosecute. (Doc. No. 2) The copy of the Order mailed to Plaintiff at his last-known address was returned to the Court as undeliverable on June 10, 2020. (Doc. No. 3) As of this date, Plaintiff has not paid the filing fee or filed an IFP Motion.

Rule LR5.5(c)(2) of the Rules of the United States District Courts for the Eastern and Western Districts of Arkansas provides as follows:

It is the duty of any party not represented by counsel to promptly notify the Clerk and the other parties to the proceedings of any change in his or her address,

to monitor the progress of the case and to prosecute or defend the action diligently If any communication from the Court to a pro se plaintiff is not responded to within thirty (30) days, the case may be dismissed without prejudice. . . .

In light of Plaintiff's failure to respond to the Court's June 3, 2020 Order, Court finds that his Complaint should be dismissed for failure to prosecute. Accordingly,

IT IS, THEREFORE, RECOMMENDED that Plaintiff's Complaint be DISMISSED without prejudice for failure to prosecute.

IT IS SO ORDERED this 7th day of July, 2020.
